

# DuPage Regional Office of Education

March 2, 2018

*County Institute Day*

*Application Form for DuPage School Districts*

**Your Organization: Naperville School District 203 Health, Drivers Ed., and Physical Education**

Title of Program: Phil Lawler DuPage County Institute for Physical Education, Health Education, & Driver Education

Please provide a short description of how your program will impact one or more of the following research based continuous improvement elements:

## **School Improvement Planning:**

We provide our teachers the opportunity to experience some of the best presenters in the nation for health, driver education, and physical education. We also provide guided workshops with national, state and local experts to help our educators navigate the new challenges we experience as teachers. Topics will include but not be limited to; Danielson Teacher Evaluation, PARA, Enhanced PE, State Goals, Common Core Standards, Standards Based Reporting, Digital Learning, Social Emotional Standards...

## **Leadership:**

Along with a variety of national and state experts we provide our teachers with the best of local programs to share out. As a result many local networks are created providing a greater collaboration between schools and programs.

## **Professional Development:**

We offer 4 different sessions throughout the event when teachers can choose from over 24 in each a wide variety of presentations which are specific to the areas they find interesting and will attain greater knowledge from expert teachers and professionals in their field.

## **Curriculum:**

We continue to be successful in providing a well balanced curriculum for; elementary, junior high, and high school levels in health education, drivers education, and physical education.

## **Assessment:**

In many of our presentations the following topics will be discussed; Danielson Teacher Evaluation, PARA, Enhanced PE, State Goals, Common Core Standards, Standards Based Reporting, Digital Learning, Social Emotional Standards along with other best practices for assessing student learning and growth. Each attendee will complete an assessment and evaluation of the DuPage County Institute to help develop better programs for future years.

## **Instruction:**

We offer classrooms, auditorium and large gym space for presenters to involve the audience in hands on instruction. Giving teachers the chance to experience the learning for themselves.

## **School Climate/Culture:**

Topics will include but not be limited to; Danielson Teacher Evaluation, Enhanced PE, Standards Based Reporting, Digital Learning, Social Emotional Standards...

## **Community and Family Engagement:**
