

## **April 19 and 20, 2018**

# **Illinois Teach to Lead Summit**

## **Sponsorship Opportunities**

In collaboration with our supporting organizations, The Illinois Teacher Leadership Network will be hosting a Powered by Teach to Lead® Summit in Illinois to help spotlight and advance teacher leadership throughout our state. Teams of educators from school districts, universities, and partner organizations from across the state will submit proposals outlining a problem of practice that they wish to address through teacher leadership. The Illinois Teacher Leadership Network will then select 30 proposals and invite the teams to our summit in April.

This summit will allow participating teachers, principals, districts, supporting organizations to:

- Share ideas and best practices and learn from examples of existing teacher leadership efforts;
- Identify common challenges and create concrete, actionable teacher leadership plans to address them locally;
- Network and build relationships with other educators and leaders in their region; and
- Identify promising ideas for follow-up support through future engagement events.
