# TUESDAY TIMES

*A resource for professional development and news for DuPage County Educators*

We've made it though another week, and we'll continue on—taking one day at a time and staying flexible. There's been a learning curve for all of us as we adjust to this new reality, but we're proud of how so many of you have taken these changes in stride and adapted your plans in order to keep our community safe and healthy.

Please let us know how you are doing, what you need, and how we can best support you! Feel free to call us at 630.407.5800 if we can be of service to you.
