

Two Pre-Summit Webinars are planned to help teams of educators successfully develop their application to participate in the **Illinois Summit** on April 19<sup>th</sup> and 20<sup>th</sup>!

The date and time for the first webinar is January 29<sup>th</sup> at 4 pm. This webinar, *Teacher Leadership, Promoting Change and Student Learning and the Illinois Summit Opportunity*, is designed to answer the following questions:

- What is teacher leadership?
- Why is teacher leadership important?
- What is the Illinois Summit?
- What is the timeline for engaging in the Illinois Summit?
- What are the *Challenges, Roadblocks and Opportunities?*
- *List of Topics from 2017*
- *Completing the Application Successfully*
- Question and Answer interactions are built in throughout the webinar, so please bring your questions about the summit and the application process to the webinar.

Please register for Illinois Summit 2018: Teacher Leadership, Promoting Change and Student Learning and the Illinois Summit Opportunity on January 29 at 4 PM CST at: <https://attendee.gotowebinar.com/register/8784230779362185475>

After registering, you will receive a confirmation email containing information about joining the webinar.

The second webinar is designed to help you understand the logic model concept used in the application process and complete the application process itself. TBA

We look forward to meeting you at one or both webinars!
